Good morning Local 46 Family!

This is an important message to all members of the Limited Energy Unit. One day longer, one day stronger! Your small committee, the staff and I personally and professionally thank all you for your dedication and commitment. Especially all of you that have stood on the strike lines, that have stepped up as strike captains, that have stepped up to facilitate support, everything from cooking breakfast and lunch to shuttling people around doing whatever it takes to make sure that the fearless 1,023 shall prevail!

Thank you for all that you do. Please continue to check the Local 46 website, the mobile app, your email, your phone for mass text, and our social media platforms for constant updates. They are going out every single week, multiple times during the week.

If you have any questions, please contact either Megan Kirby or Trina Chapa, they are available around the clock.

If you have yet to attend any of the picket training, please visit the website, the next picket training will take place tomorrow, May 16<sup>th</sup> at 8:00am. Please report to Local 46 for strike training so you can be assigned to the picket lines. If we all stand together, if we maintain our unity, we shall prevail!

One day longer, one day stronger! One day longer, one day stronger!

Thank you!

Sincerely,

Sean Bagsby, Business Manager  
And Financial Secretary
