Re: Delegates to the Democratic National Convention

Dear Sisters and Brothers:

As you may know, the Democratic National Convention (DNC) will be held August 17, through August 20, 2020, in Milwaukee, Wisconsin. Due to the COVID-19 pandemic, most events including the nominations of the president and vice presidential will be held virtually rather than in person. I expect several IBEW members to participate in the convention as delegates. The international office needs your assistance in providing the names of members that will be serving as delegates.

If you or any members of your local union are participating in the convention as a delegate, please contact the Political/Legislative Affairs Department at (202) 728-6046 or ibewpoliticaldept@ibew.org. Please provide the name, address, telephone/cell phone number and email address so the Political/Legislative Affairs Department can contact them as soon as possible.

With best wishes, I am

Fraternally yours,

Lonnie R. Stephenson
International President
