March 3, 2021

The recruitment of rank-and-file members to serve on the Inside Wire Unit Large Committee closed on Friday, February 26, and I thank all of you who submitted your name. We had a record turn-out of participation of both Journey-level workers and Apprentices.

As a result, 31 total Members have been selected for the Large Committee.

Unfortunately, we could not include everyone who volunteered, but we do have a great cross-section of the membership, and many Members have stepped-up to be part of the process for the first time! This is very important, as this will increase our overall knowledge base across the membership.

I thank those of you who have participated in the past, who volunteered to make room for 'NEW BLOOD' to learn the process and become better members of Local 46 and the Wire Unit!

To the Apprentices who volunteered: from the group of over 25, we chose two (2) from each Apprentice class year. As a result, we have ten (10) total on the Large Committee. As with the Journeymen, we could not include everyone, but this gives us a great cross-section of the Apprentices and ALL years are included!

Business Representative Bryan Johnson will be in touch with those of you who were selected soon regarding training sessions and next steps.

As I said before, this is a New day, and we'll continue to have unprecedented membership participation in negotiations!

Thank you.

Sean Bagsby
Business Manager / Financial Secretary
