Good Afternoon, Inside Wire Unit members!

Thank you again to ALL the Inside Wire Unit members who voted yesterday! The tone of the negotiations has CHANGED, thanks to your STRONG message. We are making progress, but we are still FAR apart on key economic issues such as paid parking, holidays, and overall wages.

YOU are the KEY to our success!

UNITY is our Strength!

TOGETHER we are STRONG!

Solidarity is our POWER!

Your Small Committee will return to the negotiations table and continue to bargain in good faith to reach an agreement. Just a REMINDER, since we will NOT have an Agreement prior to the May 31, 2021 expiration date, **IBEW 46 HAS served the 10-day notice to officially terminate the Agreement.**

Everyone will continue working during this period and until further notice.

The earliest we can have an official work stoppage would be 12:01 AM on Friday, June 11, 2021. You will be notified by the Business Office of any changes.

In the meantime, please take time to enjoy your family and loves ones. This pandemic has been hard on everyone. Life is precious; so, when you work hard, we must take time to relax and play hard! When the sun's out, fun's out!

Please enjoy your Holiday weekend. Stay tuned and check the website for another update soon.

Thank you again for your time.
