Happy Monday, LU 46 Family!

This is another reminder that we are consistently having days of UNFILLED calls for Journey Inside Wiremen, Journey 06 Technicians, and Residential Wiremen every week! This means that after the close of morning dispatch EACH DAY, there are calls open and unfilled.

We are a referral Union Hall and it's critically important that we fill our calls and cover our electrical jurisdiction!

I understand that many members do not feel comfortable returning to work in this Covid environment, and that is ok. If you choose to not be available for work for personal reasons, there is nothing wrong with that. If this is your situation, then please contact Dispatch and ask to be removed from the out of work book since you are not available for work.

If you are a Book 1 or Book 2 member and looking to go to work, PLEASE log-in to bid on jobs or come to dispatch in either the Kent or Silverdale Office. You can go to work immediately! If you have recently been laid off and are looking to return to work, please contact Dispatch ASAP and re-sign! You can go back to work immediately.

If you have any questions about dispatch or the current work picture, please contact either Dispatcher Bryan Johnson at 253-766-1032 or Business Representative Neal Holm at 253-656-1022. When looking for work, please call the LU 46 Job Line every day after 5PM at 253-395-6516 or login to the LU 46 website under dispatch.

As the work picture continues to ramp-up, we MUST fill ALL our calls!

Thank you!
