Good afternoon, Local 46 Family!

This is an update on the Carpenter Strike.

The evening of Monday 10-5-2021, the Leadership Team of the Carpenters informed the Seattle Building Trades and all affiliates that they reach a tentative agreement with the AGC. Their membership will be meeting to review their proposal and have a ratification vote soon. In good faith, the Carpenter pickets will be suspended as they go through the voting process.

As a result, all projects should return to normal operation as of today 10-6-2021. If you have any issues on your jobsites, please contact your Job / Shop Steward or direct Business representative.

Thank you for your time. Please stay healthy, stay positive, and test Negative!
