Hello Again, Brothers and Sisters of the Sound and Communications Unit,

The wage allocation survey is out **NOW!**

The survey will remain open through Friday, November 12, and will go into effect February 7, 2022. There are several options, including the trustee's recommendation and an option to input your own breakdown.

With the last two going all on the check, the trustees are recommending splitting up some between toward healthcare/retirement etc. Please keep that mind, as it is important to keep all these things funded and healthy.

I hope you are all staying safe out there, if you or someone you know has not received theirs, please contact Bryan Johnson at bryan@IBEW46.com

In solidarity,

Frank Woolsey
