Local 46 Construction Units:

During the December 2021 Construction Unit wage/fringe allocation votes, we had a lot of discussion regarding possible changes to the Healthcare Plans. To continue this discussion and to find out concerns and priorities of the membership, there will be a series of surveys sent out to gather this information and allow everyone to weigh-in! The purpose of the survey is to help determine the concerns and priorities of the membership.

On Monday 2-28-2022 the first LU 46 Membership Healthcare survey will begin at 6PM.

Please check your personal e-mail for this survey. If you do not receive this by 7PM on Feb. 28, please send an email to Business Representative Bryan Johnson at bryan@ibew46.com. It's very important that we receive your input.

This first survey shall remain open until 5PM on Monday March 7th.

Thank you!

And Financial Secretary**
