Hello IBEW 46 Family!

I just got word from Bloodworks NW. Our number of donations for the blood drive are not doing too well. Especially for a membership of over 6,000. We can do better!

Remember we are in **Code Red** for our national blood levels! Please consider giving blood today!

Our drive ends on the 19th. We have less than 2 weeks left. Check out the flier on our Local 46 website at [www.ibew46.com](http://www.ibew46.com) for more information. Then schedule an appointment with one of the many donation sites and help make a difference. Remember to use the passcode when you donate to have it credited to our drive.

Thank you!

Eric Vane
