## ATTENTION LIMITED ENERGY FAMILY:

These are unprecedented times, our Unit has **never** gone on strike and our Local has not been on strike for decades!

Please rest assured your negotiating team will continue to meet with NECA at **every opportunity** to try to reach an agreement and end this work stand down. Our next meeting is Tuesday afternoon. We will work all night if that is what it takes. We are determined to reach an agreement you will vote for and approve to end this strike.

We need every available person on the picket line. Contact our strike coordinator, Chris Boling at [lu46intern1@ibew46.com](mailto:lu46intern1@ibew46.com) to get signed up for training and assigned for picket duty. You will get paid out of the strike fund for time on the picket.

Some people have asked if they can get a job nonunion? The answer is yes, you can! Just alert the our Union and fill out salting paperwork. Our Family Support Services is also available through [dispatch1@ibew46.com](mailto:dispatch1@ibew46.com). We can help with basic household essentials, and pantry items.

**There is a rally at Bellevue Downtown Park - April 15<sup>th</sup> at 2:30PM for all our Family and supporters to meet and raise visibility to our fight.**

Please contact me with any questions!

**WE WILL GET THROUGH THIS TOGETHER! SOLIDARITY FOREVER!**
