Inside Wire Member Update July 11, 2024

We met with NECA today and have reached a Tentative Agreement on our full contract.

- NECA proposed \$14.25 over 3 years, all on the wage/benefit package.
- We countered with a frontloaded \$15/3.
- NECA agreed to \$15/3. To reach this number, NECA would not accept any changes on parking.
- We negotiated for and got the best contract we could in this cycle considering current conditions.
- There will be an informational meeting so members can understand proposed changes.
- **Our negotiating committee endorses this TA and will bring it to the membership for a vote. Watch for more details soon.**
