- **Coverage:** The benefits will be similar to what you currently have, with some enhancements. Dental coverage will remain unchanged if you are currently enrolled.
- **Reason for Change:** This transition aims to address rising coverage costs and ensure comprehensive and affordable healthcare for Medicare-eligible participants.
- **Support:** Labor First will assist with the transition. Dedicated retiree advocates will be available to help with questions and support.
- **Further Information:** Expect more details soon from Labor First, including contact information and a summary of benefits.
- **Premium Payments:** If your health premiums are deducted from your pension, that will continue. If you self-pay, continue to make payments as usual.
