It is agreed by the parties that it is in their best interest to establish employment relations based on mutual respect and cooperation, provide for fair treatment to all employees, promote efficient and cost-effective service, and recognize the value of employees and the work they perform.

ARTICLE 1

SCOPE

This Agreement shall apply to all employees regularly assigned maintenance, and repair and conversion work necessary to maintain Washington State Ferries (WSF) and auxiliary equipment or fixtures used in conjunction therewith, with the exception of the Shore Gang Inlandboatmen's Union, Carpenters, and Washington Federation of State Employees (WFSE) bargaining units.

The parties agree that the provisions of this Agreement constitute the complete agreement between the parties. Any Letter or Memorandum of Understanding (LOU/MOU) applicable to the parties shall be listed in an Appendix of this Agreement as an LOU or MOU that is in effect for the term of this Agreement or a term specifically less than the term of the Agreement. An LOU or MOU not listed shall be null and void. LOUs or MOUs added to the Agreement during its term shall specifically state the duration of the LOU or MOU not to exceed the term of the Agreement. Also, it is expressly understood and agreed upon that no term or provision of this Agreement may be amended, modified, changed, or altered except by a written agreement executed by the parties. This clause does not constitute a waiver by either party of its duty to bargain pursuant to [RCW 47.64](#).

ARTICLE 2

RECOGNITION

The Employer recognizes the Union as set forth in the Preamble and signatory hereto as the sole and exclusive collective bargaining representative of the full-time employees and all regular part-time employees covered by the classifications contained in Appendix A of this Agreement.

ARTICLE 3

UNION DUES DEDUCTION

Section 1. Each employee covered by this Agreement may make application to join the Union. The Employer shall, when provided with written authorization by the exclusive bargaining representative of an employee covered by this agreement, deduct from the employee wages either: a set percentage each payroll date or a set dollar amount on the twenty-fifth of the month payroll which has been or will be in the future authorized by the membership. The working dues which are deducted shall be paid monthly by the tenth of the month following the month in which they are deducted to the union involved. Dues deduction may be changed once per year on the anniversary date of the Agreement by each union within the Puget Sound Metal Trades Council, with the resulting dues check off amount either as a set dollar amount or as a set percentage applicable to all the employees within each union.

Section 2. An employee may cancel their payroll deduction of dues/fees by written notice to the Union. After the Employer receives the confirmation from the exclusive bargaining representative that the employee has revoked authorization for deductions, the Employer shall end the deduction no later than the second payroll after the receipt of the confirmation.

ARTICLE 4

HIRING OF NEW EMPLOYEES

- Section 1.** The Employer agrees that, when additional employees are required, the Union will be given twenty-four (24) hours' notice in advance so that the Union may have a reasonable opportunity to refer applicants for employment. Applicants referred by the Union shall meet the minimum qualifications as specified in the job position(s) description(s) provided to the Union. Such notice shall specify the number and qualifications of the employees required, and the Union agrees that it will refer experienced applicants when available to the Employer. The parties recognize that the Employer will develop and implement a performance evaluation process for Eagle Harbor probationary employees. A new employee shall serve a six (6) month probationary period and shall receive the appropriate rate of pay for the position during such probationary period. The probationary period may be extended by the Employer up to an additional six (6) months upon agreement between the Employer and the Union. In addition, an employee's probationary period will be extended on a day for day basis for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service, or temporary reduction of work hours. The Employer may separate a probationary employee at any time during the probationary period, and such separation will not be subject to the grievance procedure in [Article 12](#). The Employer will provide the employee five (5) working days' written notice prior to the effective date of the separation. If the Employer fails to provide five (5) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to five (5) working days, which the employee would have worked had notice been given.
- Section 2.** Selection of applicants for referral to jobs shall be on a nondiscriminatory basis and shall not be based on or in any way affected by Union membership, by-laws, rules, regulations, constitutional provisions, or any other aspect or obligation of Union membership, policies or requirements.
- Section 3.** The Employer retains the right to reject any job applicant referred by the Union. The Employer may discharge any employee for just and sufficient cause.
- Section 4.** If the Employer hires persons other than those referred by the Union, the Employer shall advise the Union within seven (7) working days after such person is hired as to the name, address, personnel identification number (PIN), date of hire, classification, and rate of pay of such employee. The same information shall be furnished by the Employer to the Union within forty-eight (48) hours after termination of any employee.
- Section 5.** All employees referred to the Employer by the Union under this Article shall submit to the providing of such records as are or may be required by the Employer for the purpose of identification.
- Section 6.** A copy of this Article of the Agreement shall be posted at the place where the Union conducts the operation of referring persons for employment under this Agreement.

Section 7. The Union and the Employer agree to hold the Union and Employer signatory hereto harmless from any monetary damage and penalties assessed against them by any Government Agency or Court of Law because of any charge of unfair labor practice or act where such practice or act was proximately or solely caused by the Union or Employer.

Section 8. Temporary employees who have served six (6) consecutive months shall have all benefits afforded a permanent employee. Such temporary employees will not have access to the grievance procedure in Article 12 for layoff.

Section 9. Definitions:

- A. Probationary Period: Every part-time or full-time employee following their initial appointment to a permanent position, will serve a probationary period of a minimum six (6) consecutive months.
- B. Trial Service Period: Employees with permanent status who are promoted or who voluntarily accept a transfer or demotion into a job classification they have not previously held permanent status, will serve a trial service period of six (6) months. An Employer may extend a trial service period for an individual employee for an additional six (6) months, upon agreement with the Employer and the Union. Trial service periods will be extended on a day for day basis for any day(s) that the employee was on leave without pay or shared leave, except for that taken for military service or temporary reduction of work hours.
- C. Permanent Status: An employee will attain permanent status in a job classification upon successful completion of their probationary, trial service or transition review period.
- D. Temporary Employment: The Employer may make temporary appointment to address organizational needs including but not limited to filling behind the absence of a permanent employee, participation in an apprenticeship program or to reduce the effects of a hiring freeze. Temporary appointments will not result in the incumbent attaining permanent status.

FOREPERSONS AND LEADPERSONS, VESSEL AND TERMINAL GENERAL FOREPERSON

A. Forepersons and Leadpersons

Section 1. When the Employer selects Forepersons and Leadpersons, they shall be Journeyman members of the craft which they are to supervise.

Section 2. The compensation for Foreperson and Leadperson shall be ten percent (10%) and five percent (5%) respectively, over the wage of the craft they are supervising, as set forth in Appendix A.

Section 3. When from one (1) to three (3) persons are employed in each craft, one (1) of the persons will be selected as Leadperson.

Section 4. When four (4) to six (6) persons are employed in each craft, one (1) of the persons will be selected as Foreperson, but no Leadperson will be selected. If the number of persons employed is reduced below four (4), the Foreperson rating shall not be eliminated for a minimum period of forty-five (45) days.

If a Foreperson is off on a Friday or the day preceding a holiday, the person that has been designated as the temporary Foreperson on the day before the weekend or the holiday, shall be the point of contact for all callouts until the next regularly scheduled shift.

A. The appointments of Leadpersons and Forepersons as specified in this Article refer to Leadpersons and Forepersons who are working supervisors of all of the people employed in each of those crafts by the Employer. Forepersons and Leadpersons are not required for subsets of employees in each craft, e.g., shifts, work crews, field crews.

B. In the event the Employer desires to appoint temporary Forepersons or Leadpersons to provide onsite supervision to crews who are working away from Eagle Harbor, such Forepersons and Leadpersons will be selected on the basis of seniority, if they are qualified to do the work. Temporary Forepersons and Leadpersons will revert to their regular classification upon conclusion of the work.

Section 5. Employees who have completed their six (6) month probationary period, and who are interested in Foreperson and Leadperson openings shall inform the Employer of their interest in writing. The Employer will consult with the interested employees to identify training needed and provide materials or training to help employees to become qualified for position openings.

When a permanent Foreperson or Leadperson opening occurs, employees that have expressed an interest in writing shall be provided the opportunity to interview for the position, if the employee has completed all training that was identified so that they are qualified for the position. Interested employees shall be interviewed by a committee comprised of two (2) individuals selected by the Employer and two (2) employees selected by the union. The employee selected by the Union shall be in a comparable position i.e. Foreman or Leadperson. For Leadperson interviews, one of the union members will be the Foreperson from the applicable shop. The panel will review all applications and interview scoring materials for each candidate and

determine the best qualified applicant for the position. The decision of the panel shall not be grievable. The panel shall make a recommendation to the Director of Vessel Engineering and Maintenance, or their designee. The Director shall then approve the formal offer of employment to the successful candidate. If in the judgment of the Employer, that the employee is not the most qualified, the employee shall be informed in writing by the Employer as to the reason(s).

Section 6. When a temporary Foreperson opening occurs, the senior Leadperson in that craft shall be given first consideration for that position. If, in the judgment of the Employer, the Leadperson is not acceptable, that person shall be informed by the Employer as to the reason(s). Thereafter, in the filling of the temporary Foreperson position, the next most senior employee shall be offered the position and so forth, down the seniority list.

When a temporary Leadperson opening occurs, the senior employee in that craft shall be given first consideration for that position. If, in the judgment of the Employer, the employee is not acceptable, that person shall be informed by the Employer as to the reason(s). Thereafter, in the filling of the temporary Leadperson position, the next most senior employee shall be offered the position and so forth, down the seniority list.

The process of interviewing and selecting employees for vacant positions as specified in Sections' 5, 6 and 7 of this Article shall not be subject to the grievance procedure in [Article 12](#).

Section 7. An employee promoted to a permanent Foreperson or Leadperson position shall serve a six (6) month trial service period and shall receive the appropriate rate of pay for the position during such trial service period. An employee determined to be unqualified for the position during or at the end of the trial service period shall be informed in writing of the reason(s) for disqualification and shall then return to the employee's previously held position at the former rate of pay with no loss of seniority in the previously held position. Such action will not be subject to the grievance procedure in Article 12.

If an employee in the position of Foreperson has completed their trial service period and it is determined they are unqualified for the position, the employee shall be informed in writing of the reason(s) for disqualification and shall then return to the employee's previously held position at the former rate of pay with no loss of seniority in the previously held position. If the employee's previous position is that of Leadperson, and that position has been filled, the employee that is in the position of Leadperson shall return to a Journeyperson position and rate of pay in their classification with no loss of seniority. The employee that is being removed from the position of Foreperson shall then be returned to the position of Leadperson.

Section 8. Overtime Assignments within Craft Shops

It will be the responsibility of each shop Foreperson to ensure a fair and equitable distribution of overtime work. Seniority cannot be used for the basis of overtime.

The objective of overtime distribution is to allow for a fair and reasonable sharing of hours over an extended period of time. An overtime report will be generated quarterly for each shop steward to show individual overtime.

Section 9. Forepersons and Leadpersons shall be provided a position description which accurately reflects the duties of their positions. Forepersons and Leadpersons are expected to perform duties as specified in the position descriptions. The Employer will notify the Union in advance of any significant proposed changes in the position descriptions and will consider the Union's comments, if any, on the proposed changes prior to implementation.

B. Vessel and Terminal General Foreperson

Section 1. In addition to the duties described in the job description, the following guidelines are applicable to the Vessel and Terminal General Forepersons Positions.

Section 2. The positions of Vessel and Terminal General Forepersons will become a permanent position at Eagle Harbor.

Section 3. For the purpose of coordinating work, including prioritization of work between crafts, the shop Forepersons will communicate first with the Vessel and Terminal General Forepersons. If the Vessel and Terminal General Forepersons are not available the Foreperson shall communicate with the Vessel and Terminal Maintenance Managers.

Section 4. The Vessel and Terminal General Forepersons positions will be filled on the following basis:

- A. When a permanent Vessel and Terminal General Forepersons opening occurs, employees that have expressed an interest in writing shall be provided the opportunity to interview for the position, if the employee has completed all training that was identified so that they are qualified for the position.
- B. Interested employees shall be interviewed by a committee comprised of two (2) individuals selected by the Employer and two (2) employees selected by the Union. The panel will review all applications and interview scoring materials for each candidate and determine the best qualified applicant for the position. The decision of the panel shall not be grievable. The panel shall make a recommendation to the Director of Vessel and Engineering and Maintenance, or their designee. The Director shall then approve the formal offer of employment to the successful candidate. If, in the judgment of the Employer, that employee is not the most qualified, the employee shall be informed in writing by the Employer as to the reason(s).
- C. Employees selected to be the Vessel and Terminal General Forepersons will remain in that position as long as the incumbents maintain performance expectations. An employee determined to be unqualified for the position shall be informed in writing of the reasons for disqualification and shall then

return to the employee's previously held position at the former rate of pay with no loss of seniority in the previously held position. Such action will not be subject to the grievance procedure in [Article 12](#).

- D. At the end of the assignment as Vessel and Terminal General Forepersons, the individuals will return to the positions held immediately prior to taking the Vessel and Terminal General Foreperson position.
- E. The Vessel and Terminal General Forepersons may, at any time during the assignment, resign from the Vessel and Terminal General Forepersons positions and return to their previous assignment.

Section 5. The selection of an Employee to be the Vessel and Terminal General Foreperson or the removal of the Vessel and Terminal General Foreperson from the position is not subject to the grievance procedure in [Article 12](#). All other terms and conditions of the Agreement will apply to the Vessel and Terminal General Forepersons.

Section 6. The Vessel and Terminal General Forepersons' vacation(s) shall be approved by the General Manager or Operations Manager. The Vessel and Terminal General Forepersons shall submit requests one (1) month in advance.

Section 7. The provisions of Sections 2, 4 A, B, C, D, E 5 and 6 shall also apply to the positions of Planner and Health & Safety Supervisor, as referenced in Appendix A.

C. Evaluations of General Forepersons, Forepersons, Planners, and Safety and Health Supervisors

Section 1. Each Vessel and Terminal General Foreperson and the Planner shall be evaluated by the Vessel or Terminal Maintenance Manager on an annual basis. The Safety and Health Supervisor designated by the Employer shall be evaluated by the General Safety Systems Manager on an annual basis. The performance evaluation process gives the Vessel or Terminal Maintenance Manager an opportunity to discuss performance goals with the employee and assess and review their performance with regard to those goals.

Each Foreperson shall be evaluated by the Eagle Harbor Operations Manager or General Manager (as designated by management) on an annual basis. The performance evaluation process will provide the Eagle Harbor Operations Manager or General Manager the opportunity to discuss performance goals with the employee and assess and review the employee's performance with regard to the performance goals.

Section 2. In accordance with Section C.1 above, the Manager (as applicable), will meet with the employee at the start of the employee's review period to discuss performance expectations. The employee will receive copies of their performance expectations as well as notification of any modifications made during the review period. Employee work performance will be evaluated during probation, trial service and at least annually thereafter.

Section 3. The Manager (as applicable), will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation.

The performance evaluation process will include, but not be limited to, a written performance evaluation on forms used by the Employer, the employee's signature acknowledging receipt of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. A copy of the final performance evaluation, including any employee comments, will be provided to the employee. The original performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.

Section 4. If an employee disagrees with their performance evaluation, the employee has the right to attach a rebuttal.

Section 5. The performance evaluation is not subject to the grievance procedure in [Article 12](#).

ARTICLE 6 HOURS OF WORK AND RATES OF PAY

Section 1. Normal Work Week: The normal work week shall be five (5) consecutive days, Monday through Friday, of not more than eight (8) hours per day, exclusive of lunch period.

One and One-Half (1½) Times Overtime Rate and Double Time Rate: All overtime worked by an employee will be paid at one and one-half (1½) times (overtime rate) the employee's straight time rate of pay until a consecutive shift of 12 (twelve) hours, excluding the lunch period, is reached. All additional time will be paid at two (2) times (double time rate) the straight time rate of pay until a minimum rest period of eight (8) hours is provided.

These more than twelve (12) hour financial incentives and eight (8) hour rest periods are provided as an acknowledgment of the hazard of continuous work and are provided for the safety of the workers.

One (1) Hour Minimum Overtime: For all overtime worked, actual time will be reported, but an employee shall be guaranteed a one (1) hour minimum, except with respect to "overtime lunch periods," which is set forth in Section 6 of this Article. For time worked in excess of one (1) hour, overtime will be paid in one (1) hour increments.

Section 2. Four (4) Day/Ten (10) Hour Shifts: Notwithstanding the foregoing, upon mutual agreement between the Employer, the Union and the affected employees, said employees may be scheduled to work four (4) consecutive ten (10) hour days at the straight time rate of pay within a work week; management approval must be obtained prior to the shift change. Under such schedule, all time worked in excess of twelve (12) consecutive hours in any one (1) shift shall be paid at two (2) times

the straight time rate of pay until a minimum rest period of eight (8) hours is provided. It is further agreed this type of scheduling will be used selectively.

Section 3. Saturday and Sunday Work:

- A. The first eight (8) hours that an employee works on Saturday, if the employee is assigned on that day, shall be paid at one and one-half (1½) times the applicable rate and two (2) times the applicable rate after that until a minimum rest period of eight (8) hours is provided.
- B. Any time that an employee works on Sunday shall be paid at two (2) times the applicable rate.

Work on Scheduled Days Off: Year round employees who are called to work on scheduled days off will be compensated at their overtime rate of pay (one and one-half [1½] times). In addition, they will receive three (3) hours of pay at their straight time rate of pay regardless of the length of the overtime shift or the hours actually worked. This three (3) hours of pay does not apply to scheduled overtime work, up to an accumulated total of twelve (12) hours.

Section 4. Shift Transfers: Employees transferred from one (1) shift to another, unless relieved from work at least a full shift as set forth herein, before starting their new shift, shall be paid the overtime rates for the first such shift worked. However, if an employee working on the “first” or regular daylight shift is required to return to work on the third shift within the same twenty-four (24) hour workday period, they shall receive double time for the first such “third” shift worked. The twenty-four (24) hour workday period mentioned herein shall be the twenty-four (24) hour period commencing with the starting time of the daylight shift. No employee shall be transferred from a regular assigned shift to another shift more than once a workweek except in an extreme emergency involving a shortage of manpower.

Section 5. Regular and Modified Daylight Shifts: The regular daylight shift shall begin at 6:15 a.m. and shall be an eight and one-half (8½) hour period less thirty (30) minutes for meals on the employee’s time except that, if the locality of the Employer’s plant and existing traffic conditions render it desirable to start the daylight shift for all employees at an earlier hour, such starting time may, by agreement between the Employer and the Unions, be made earlier, but in no event earlier than 6:00 a.m. The daylight shift may also be modified by flex time. When flex time is adopted at the option of the employee and the concurrence of management, the regular daylight shift shall begin at 6:00 a.m. and be an eight and one-half (8½) hour period less thirty (30) minutes for meals on the employee’s time. Starting times and stopping times are subject to change if ferry schedules change. Pay for a full shift period shall be a sum equivalent to eight (8) times the regular hourly rate with no premium. The second and third shifts shall start on or within one-half (1/2) hour after the preceding shifts.

To ensure that an adequate workforce is available at all times once flex time has been adopted, shop start time assignments will be approved by the Operations Manager.

This is to ensure that the crews are balanced and always have adequate supervision and personnel across start times, the Operations Manager has the authority to modify start times when a shop becomes unbalanced at any point.

Section 6. Overtime Lunch Periods: Employees working overtime shall receive a lunch period of thirty (30) minutes on the Employer's time after every four (4) hours if the overtime hours are annexed to a regular scheduled shift. An employee required to work during their regular lunch period shall receive the overtime rate for such lunch period and shall thereafter take a lunch on the Employer's time when practicable.

The regular second shift shall be an eight (8) hour period less thirty (30) minutes for meals on the employee's time. Pay for a full second shift period shall be a sum equivalent to eight (8) times the regular hourly rates as set forth in Appendix A plus ten percent (10%). The regular third shift shall be a seven and one-half (7 ½) hour period less thirty (30) minutes for meals on the employee's time. Pay for a full third shift period shall be a sum equivalent to eight (8) times the regular hourly rates as set forth in Appendix A plus fifteen percent (15%).

Section 7. Callout Compensation: If the Employer calls out an employee between regularly scheduled work shifts due to an emergency or unforeseen operational needs, the affected employee will be compensated as follows:

- A. A Foreperson or acting Foreperson will receive a minimum of four (4) hours pay at the overtime rate of pay for the callout. The minimum hours of pay is in recognition of the Foreperson's or acting Foreperson's availability to complete work assignments including, but not limited to, receiving and making phone calls to arrange work activities during their off duty hours.

This payment does not apply:

1. To any subsequent calls within the four (4) hour period (beginning when the initial call was received);
2. When a Foreperson or acting Foreperson is scheduled to work by management in advance or when a work schedule is extended on either end of a shift; or
3. When a Foreperson or acting Foreperson receives a callout within two (2) hours of their normal start time and only coordination over the phone is required. Instead, the Foreperson or acting Foreperson will receive the overtime rate of pay until the start of their regularly scheduled shift.

If circumstances require substantial Foreperson coordination that exceeds the four (4) hour minimum callout, additional time spent in support that is annexed (as provided below) to the callout will be compensated at a minimum of fifteen (15) minute increments, or actual time on the phone whichever is greater. This provision also applies when the Foreperson or acting Foreperson is required to support additional callouts for separate emergencies that may occur during the same callout timeframe.

The following callout and annexation period provisions apply to a callout being taken by a Foreperson or acting Foreperson:

1. Monday through Friday at 2:45 p.m. or 3:30 p.m. (whichever is applicable based on an individual's schedule), a callout and annexation period shall be from the time of the callout until a period not to exceed eight (8) hours in total, or the start of the next shift, whichever is shorter. One (1) or more subsequent calls for the same incident within a callout annexation period shall not constitute additional callouts.
 2. If a callout occurs during the weekend or on a holiday, which commences at the end of a shift Friday (2:45 p.m. or 3:30 p.m.), or a day preceding a holiday, the callout and annexed period shall last from the time of callout for a total length of time of eight (8) hours, or the start of the next shift, whichever is shorter. One (1) or more subsequent calls for the same incident within a callout annexation period shall not constitute additional callouts.
 3. Any call for a new incident within an existing annexation period begins a new callout and ends that annexation period.
- B. A Journeyperson and/or Leadperson will receive a minimum of four (4) hours pay at the overtime rate of pay for a callout. If required to work past four (4) hours, the employee will be compensated for the actual hours worked including travel. A Journeyperson and/or Leadperson will also receive a payment of three (3) hours pay at the basic salary, per occurrence, in addition to all other compensation due for hours worked. This payment does not apply when a Journeyperson or Leadperson is scheduled to work by management in advance or when a work schedule is extended on either end of a shift, when an employee is on unapproved leave without pay, or when an employee is on administrative leave.
- C. A Foreperson shall dispatch available shop personnel prior to accepting the job themselves. Management approval is required for self-dispatch.

Section 8. Shift Minimum Hours: Employees starting their regular shift or called and starting to work after the starting time of their regular shift shall receive not less than four (4) hours pay for the first half (1/2) of the shift and, if required to continue on second

half of shift, they shall receive pay for a full shift. This payment does not apply during after-hours or off-shift callouts. Callouts after hours, on weekends, or on holidays do not constitute a shift.

Section 9. Scheduled but not needed: Employees required to report for work for a regularly scheduled shift and not needed shall receive four (4) hours straight time pay. Employees scheduled to report for work on a weekend other than regular hours and not used shall receive four (4) hours at the overtime rate.

Section 10. Separated Employee Pay: Employees who voluntarily quit or are discharged for cause shall be paid only for actual hours worked.

Section 11. Higher Rate of Pay: Any employee already receiving a higher rate of pay than the minimum set forth in Appendix A for their classification shall suffer no reduction as a result of this Agreement, and nothing herein shall preclude the payment of a higher rate at the discretion of the Employer.

Section 12. Post-Shift Scheduled or Callout Work Schedules:
A. In the situation where an employee who has completed the normal work shift and continues working, is scheduled or later called back to work other than the normal work shift, the following schedule shall apply with regard to reporting time the following day:

ARTICLE 10

APPRENTICESHIP, TRAINING PROGRAM AND NEW TECHNOLOGIES

A. Apprenticeship Program

Section 1. Apprenticeship Program

Apprenticeship Program (Program) in this Agreement means a Program approved by the Washington State Apprenticeship and Training Council that is registered with the Apprenticeship Section of Specialty Compliance Services Division of the Washington State Department of Labor and Industries.

Section 2. Apprentice

Apprentice in this Agreement means an employee that is indentured to an approved Program and shall be subject to the Standards of Apprenticeship of the Program. An Apprentice is an employee covered by the terms and conditions of the Agreement between the Employer and the Unions who does not have the required number of hours of practical experience and training, and has not passed the required evaluation necessary to be a Journey person in a specific trade/classification. When an apprentice completes the Apprenticeship program and becomes a journey person, the Employer will consider them for vacant positions, consistent with [Article 4](#), Hiring of New Employees.

Section 3. Regular Apprentices

When WSF desires to hire an Apprentice in a specific trade/classification as a regular employee, the WSF shall make their selection from the appropriate list of indentured apprentices. The hiring of additional Apprentices in the same trade shall be done consistent with [Article 4](#), Hiring of New Employees, of this Agreement.

Section 4. Temporary Apprentices

When the Employer desires to hire a temporary Apprentice, the Employer shall place a work call to the appropriate Union(s) and specify either a low-time or a high-time Apprentice. A low-time Apprentice has completed fifty percent (50%) or less of their training and a high-time Apprentice has completed more than fifty percent (50%) of their training.

The Employer retains all rights in determining the staffing needs of each trade/classification and the hiring of Apprentices shall be at Employer's sole discretion.

Section 5. Contributions

A Letter of Agreement will be executed with each Program individually in which a Journey person is employed. The WSF shall contribute fifteen cents (\$0.15) for each compensable straight-time hour worked by a Journey person at Eagle Harbor, to the appropriate Program, for the classification in which each Journey person is employed.

In no event will hourly contributions exceed two-thousand eighty (2080) hours for each Journey person employed in a trade/classification during a calendar year.

Section 6. Ratio of Apprentices to Journeyperson

The Employer may employ Apprentices at the following ratio within each trade/classification:

One (1) Apprentice for the first Journeyperson employed, 1:1.

Thereafter, one (1) Apprentice for each two (2) Journeypersons employed, 1:2.

Section 7. Section Apprentice Work

The Apprentice shall at all times be under the direction of a Journeyperson of the same classification in which the work is being performed. An Apprentice shall not work alone inconsistent with the appropriate Unions Standards of Apprenticeship. An Apprentice, who is working with a Journeyperson on a particular project, shall not be considered to be working alone, provided the Journeyperson is responsible for the Apprentice's work, actively directs the Apprentice and performs inspections as required. The Apprentice shall not work alone in a remote location or where other Journeyperson are not readily available.

A Journeyperson who directs an Apprentice does not qualify for Foreperson or Leadperson pay by that action alone. The WSF may initially employ an Apprentice at a level other than the entry level, however, at no time after initial employment shall an Apprentice's hours be waived for purposes of advancement to Journeyperson.

B. Training Program

Section 1. Hours of Work

When attending a training program, the hours of work will be the scheduled class hours. The work day will consist of eight (8) hours exclusive of any meal period. Overtime will not be paid unless the training class extends beyond eight (8) hours. In no event shall an employee be compensated for less than a full day when attending such training.

Employees who are on alternate work schedules shall convert to a normal five (5) day eight (8) hour work week during the weeks that they have training.

B. Travel time for mandatory training shall be paid in accordance with [Article 16](#), Travel Time and Out-of-Yard Work, hereof.

Section 3. Employee-Requested Training

Any employee who successfully completes a training course related to the employee's job, which has previously been approved by the Employer prior to enrollment, shall be reimbursed by the Employer for the total cost of tuition and books required, provided the employee receives a passing grade.

Section 1. Pursuant to [RCW 47.64](#), the Employer and the Union agree that the public interest requires efficient and uninterrupted performance of all Ferry services and, to this end, pledge their best effort to avoid or eliminate any conduct contrary to this objective. Specifically, the Union shall not cause or condone any work stoppage or other interference with Ferry functions by employees covered under this Agreement, and, in the event that Union members participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties. Any employee participating in the prohibited activities may be discharged by the Employer.

Section 2. During the life of this Agreement, the Employer shall not engage in any lockout. Any action of the Employer in closing its facility during a general strike, riot, or civil commotion for protection of the facility shall not be deemed a lockout.

ARTICLE 12

GRIEVANCE PROCEDURE

Section 1. The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the Employer encourage problem resolution between employees and management and are committed to assisting in resolution of disputes as soon as possible. In the event a dispute is not resolved in an informal manner, this Article provides a formal process for problem resolution.

Section 2. Terms and Requirements

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been a violation, misapplication, or misinterpretation of this Agreement, which occurred during the term of this Agreement. The term “grievant” as used in this Article includes the term “grievants.”

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

The parties acknowledge that time limits are important to judicious processing and resolution of grievances. Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

Failure by the Union to comply with the initial thirty (30) day deadline contained in Section 3A below will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the timelines will entitle the Union to move the grievance to the next step of the procedure. In the case of a dispute over the timeliness of a grievance, such issue may be brought forth to an arbitrator for their determination.

E. Contents

The written grievance should include the following information:

1. A statement of the pertinent facts surrounding the nature of the grievance;
2. The date the incident occurred;
3. The specific article and/or section of the Agreement violated;
4. The specific remedy requested;
5. The name of the grievant or a description of the group; and
6. The name and signature of the Union representative.

F. Modifications

No newly alleged violations and/or remedies may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved, or withdrawn, the same grievance cannot be re-submitted.

J. Consolidation

The Employer or the Union may consolidate grievances arising out of the same set of facts.

K. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

L. Discipline

Disciplinary grievances will be initiated at the level at which the disputed action was taken. The Employer may discipline any employee with just and sufficient cause up to and including termination.

M. Alternative Resolution Methods

Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve a non-disciplinary grievance. If the

parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

Section 3. Filing and Processing

A. Filing

A grievance must be filed within thirty (30) days of the occurrence giving rise to the grievance or the date the grievant knew or could reasonably have known of the occurrence. This thirty (30) day period may be used to attempt to informally resolve the dispute.

B. Processing

Step 1 – Director of Vessels or Designee

If the issue is not resolved informally, the Union may present a written grievance to the Director of Vessels or the Director's designee with a copy to the WSDOT ferries division Labor Relations Office at laborrelations@wsdot.wa.gov within the thirty (30) day period described above. The Director of Vessels or the Director's designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the grievance, and will respond in writing to the Union within ten (10) days after the meeting.

Step 2 – Ferries Division Assistant Secretary or Designee

If the grievance is not resolved at Step 1, the Union may request a Step 2 meeting by filing it with the Ferries Division Assistant Secretary or designee, with a copy to the WSF Labor Relations Office at laborrelations@wsdot.wa.gov, within fifteen (15) days of the Union's receipt of the Step 1 decision. The Ferries Division Assistant Secretary or designee will meet or confer by telephone with a union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the appeal, and will respond in writing to the Union within ten (10) days after the meeting.

Step 3 – Pre-Arbitration Review Meetings (PARM)

If the grievance is not resolved at Step 2, the Union may request a PARM by filing the written grievance including a copy of all previous responses and supporting documentation with the OFM State Human Resources Labor Relations Section (LRS) at labor.relations@ofm.wa.gov with a copy to the agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 2 decision. Within fifteen (15) days of the receipt of all the required information, the LRS representative or designee will discuss with the Union:

1. If a PARM will be scheduled with the LRS representative or designee, an agency representative, and the Union's staff representative shall review and attempt to settle the dispute.
2. If the parties are unable to reach agreement to conduct a meeting, the LRS representative or designee will notify the Union in writing that no PARM will be scheduled.

Within fifteen (15) days of receipt of the request, a PARM will be scheduled. The meeting will be conducted at a mutually agreeable time. The LRS will notify the Union, in writing, of the meeting results within ten (10) days of the conclusion of the PARM.

Step 4 – Arbitration

If the grievance is not resolved at Step 3, or the LRS representative or designee notifies the Union in writing that no PARM will be scheduled, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the Federal Mediation and Conciliation Service (FMCS) within fifteen (15) days of the PARM or the receipt of the notice that no PARM will be scheduled. A copy of the demand to arbitrate the dispute will be provided to the LRS and WSF Labor Relations contemporaneous to filing a demand to arbitrate the dispute with FMCS.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names supplied by the FMCS (limited to seven [7] names).

D. Authority of the Arbitrator

1. The arbitrator will:
 - a. Have no authority to rule contrary to, add to, subtract from, or modify any of the provisions of this Agreement;
 - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance, unless the parties agree to modify it;
 - c. Not make any award that provides an employee with compensation greater than would have resulted had there been no violation of this Agreement; and
 - d. Not have the authority to order the Employer to modify their staffing levels or to direct staff to work overtime.
2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration, at a time convenient for the parties immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the

issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.

3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled at the request of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its representatives, witnesses, attorneys, and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses. The Union is responsible for paying any travel or per diem expenses for its witnesses, the grievant, and the Union representative.

F. Tracking of Monetary Disbursements, Grievance/Arbitration Settlements and Awards

1. At the time a disbursement is authorized as a result of a grievance settlement or as a result of an arbitration award, the Employer will notify the Union and the Manager of the Eagle Harbor facility of the authorization, including the name of the individual employee(s) authorized to receive the payment, the grievance number, if applicable, and the amount of disbursement. A copy of this notification will be forwarded to the WSF Payroll Office as the basis for authorizing the disbursement of funds.
2. At the time the disbursement is made, WSF will confirm in writing to the employee and to the Union the amount, date of payment, and grievance/arbitration identification number.

G. Successor Clause

Grievances filed under the 2023-2025 Agreement will be processed to completion in accordance with the provisions of the 2023-2025 Agreement.

ARTICLE 13

ASSIGNMENT OF WORK

The Staff Chief Engineer has the authority to assign to their crew any job function related to electrical, mechanical, pipe, sheet metal, etc., they desire when the vessels are in normal operations.

While vessels are in operational status, Eagle Harbor craft personnel are only invited aboard vessels to perform work at the Staff Chief Engineer's request, and are required to report to the Watch Officers prior to performing any work requisitions.

While vessels are in normal lay-up status at the Eagle Harbor Facility and/or while a vessel is in normal lay-up at any other terminal for purposes other than the vessels' operational tie-up, all work requisitions submitted by the Staff Chief Engineer will be performed by craft personnel. This is not intended to allow Staff Chief Engineers, during normal lay-up status, to withhold work requisitions to enable vessel crew members to perform rehabilitation work normally done by craft employees.

ARTICLE 14

SHOP STEWARDS - MEETINGS AND RELATED MATTERS

Section 1. It is recognized by the Employer that shop stewards are desirable for the proper administration of the terms of this Agreement. The Employer also recognizes that it is desirable that the person designated as Steward shall receive their fair share of the work that they are qualified to perform. In no event shall the Employer discriminate against a steward in the manner of layoffs or rehires or discharge them on account of the proper performance of their duties. There may be designated by each Union one (1) shop steward who shall be the last laid off in the event a lay off is required, provided the shop steward has the skills to perform the work available. Twenty-four (24) hours advance notice will be given to the steward if they are to be laid off.

There shall be one (1) shop steward designated as the Steward's Liaison. At the conclusion of the monthly steward's meeting the Liaison will have free access to disseminate information and communicate between the members, other Unions and Management. This time shall be limited to one (1) hour unless otherwise approved by Management.

Union stewards will be allowed to investigate grievances during their normal work day provided no necessary required work is interrupted by the steward's absence, and the steward's supervisor has given the steward prior approval to engage in such activity. Such prior approval shall not unreasonably be withheld.

Section 2. The Employer will not discriminate in any way against any shop steward for presenting a complaint, dispute or grievance to the Employer in the manner provided for in this Agreement. The full grievance procedure as set forth in this

Agreement shall be available to any Union which feels that its shop steward(s) have been discriminated against in the administration of their duties and responsibilities as a shop steward.

- A. Employees who reside on the East side of Puget Sound will be paid for travel time and mileage either from their residence to the assigned work location, or from Pier 52, Seattle, to the assigned work location, whichever is the lesser distance.
 - B. Employees who reside on the West side of Puget Sound will be paid for travel time and mileage either from their residence to the assigned work location, or from Eagle Harbor to the assigned work location, whichever is the lesser distance.

- C. When such travel is required on Saturday, Sunday, or a holiday, employees will be paid for actual travel time and mileage from their homes directly to the assigned work location.

ARTICLE 17

SICK LEAVE

Section 1. Full-time employees shall receive one (1) day (eight [8] hours) of sick leave credit for each completed month of service, provided the employee has been in pay status for eighty (80) non-overtime hours in a calendar month. Full-time employees who are in pay status for less than eighty (80) non-overtime hours in a calendar month, part-time, and temporary employees in an overtime eligible position will accrue sick leave in an amount proportionate to the number of hours the employee is in pay status in the month, up to a maximum of eight (8) hours in a month. Sick leave is accumulative.

Section 2. Sick leave credits may be used as soon as granted. Sick leave shall not be used except for the purposes expressed in Section 5 and 6 of this Article.

Section 3. Each employee's sick leave credit days are canceled automatically upon their termination of service. Terminating employees do not receive sick leave credit for the month in which they terminate unless they are in pay status for at least forty (40) non-overtime hours in the month.

Accumulated sick leave credit days follow the employee if they are transferred to another state of Washington department.

Section 4. At the employee's option, annual leave may be used in lieu of sick leave, but sick leave may not be used as annual leave.

Section 5. Sick leave may be claimed from the accumulated days of credit for any employee for illness or injury which incapacitates the employee to the extent that they are unable to perform their work.

Sick leave may be claimed for reasons allowed under the Minimum Wage Requirements Act and Labor Standards Act, [RCW 49.46.210](#).

Section 6. Sick leave use for bereavement is limited to five (5) days or more, if approved by the Employer. This applies to the list approved in [Article 18](#) Section 13 as well as the list below. A relative is defined as: aunt, uncle, niece, nephew, sibling-in-law, first cousin, and corresponding relatives of the employee's spouse or registered domestic partner.

Section 7. When an employee's place of business has been closed by order of public official for any health-related reasons, or when an employee's child's school or place of care has been closed for such a reason. Health-related reason defined in WAC [296 128-600](#) (8), means a serious public health concern that could result in bodily injury

or exposure to an infectious agent, biological toxin, or hazardous material. Health-related reason does not include closure for inclement weather.

- Section 8.** An employee must promptly notify their supervisor on the first day of sick leave and each day after, unless there is mutual agreement to do otherwise. All claims for sick leave must be submitted using WSDOT Time and Attendance System – DOTtime, or on forms otherwise indicated by the employer if the DOTtime system is not utilized for the employee’s assigned work unit.
- Section 9.** No payment of wages chargeable to sick leave credits will be made until the claim has been properly submitted and received in the general offices, except that the claims for sick leave may be prepared for an employee by supervisory employees in the general offices when the employee is incapacitated to the extent that they cannot submit the claim themselves.
- Section 10.** In accordance with [RCW 49.46.210](#) and for claims of more than five (5) consecutive working days, the employee must secure a verifying statement from their doctor to support their claim. This statement must be presented to the Employer prior to the employee’s return to work.
- Section 11.** A verifying statement from the employee’s doctor may be requested by the Employer, at its option, to support sick leave claims for five (5) days or less.
- Section 12.** No sick leave claims will be honored for time loss for which the employee is receiving State of Washington Industrial Insurance time-loss payments (Workers’ Compensation).
- Section 13.** All accumulated sick leave may be restored when a previously separated employee is re-employed on a permanent basis within five (5) years of leaving state service ([WAC 357-31-160](#)). It also may be transferred between state departments.
- Section 14.** If, at any time during the term of this Agreement, the Legislature of this state should pass any legislation which would allow any group of state employees to cash out or otherwise receive compensation for accumulated sick leave upon retirement, said legislative provisions shall immediately become a part of this Agreement and shall be fully applicable to all employees covered by this Agreement.
- Section 15.** Employees may designate sick leave as a supplemental benefit while receiving a particle wage replacement for paid family and/or medical leave under the Washington State Paid Family and Medical Leave Insurance Program, [Title 50A RCW](#). The employer may require verification that the employee has been approved to receive benefits for paid family and/or medical leave under [Title 50A RCW](#) before approving sick leave as a supplemental benefit.

ARTICLE 18

LEAVES OF ABSENCE

Section 1. Employment Status

An employee retains employment rights when working, when the employee is on a contract provided leave or when the employee is on a Leave of Absence (paid or unpaid) approved in writing in advance of taking the leave. Employees on unpaid leave of absence are not entitled to Employer paid medical benefits, unless eligible under sick leave or FMLA. An employee taking a leave, which is not pre-approved, is absent without an approved leave and subject to progressive discipline.

Section 2. Employee Accountability

An employee absent from work for three (3) consecutive days and who is not on an approved leave may forfeit the employee's seniority rights and will be subject to the progressive disciplinary process, the determination of which shall be case specific.

Section 3. Leave Time Defined and Approved in Advance

In the case of all leaves, the employee shall obtain managerial written approval in advance of taking the leave using the appropriate leave claim method provided by the Employer. Requests for absences due to illness/injury or other unforeseen events shall be submitted by the employee as soon as possible. Medical certification for absences of five (5) days or more for absences due to medical reasons is required. Medical certification may also be required when good cause exists to believe the employee is abusing sick leave. Sick leave for less than five (5) days shall be requested through DOTtime or on the payroll timesheet, whichever is applicable. For absences over five (5) days, the request must be through DOTtime or on the appropriate form provided by the Employer. For medical leaves over thirty (30) days, the employee must also submit a Certificate of Health Care Provider on the appropriate form provided by the Employer. The Employer shall provide employees with a Request for Extended Leave Form with an explanatory cover letter normally no later than thirty (30) days after their first day of absence. The completed Request for Extended Leave Form should be submitted to the Employer as soon as possible after receipt.

Section 4. Leave Approval

On all leaves, the employee must indicate a start date for the leave and ending date for the leave. The terms of all leaves of absence shall be reduced to writing and may be extended up to the maximum time allowed for the specific leave. An employee must obtain written managerial approved extensions before the end date of the leave, except in cases of emergency. Extensions must be applied for a minimum of five (5) working days before the end of the leave. Extensions to leaves beyond the maximum times allowed will be non-precedent setting.

Section 5. Return from Leave

Employees who have been on an approved leave of absence shall return to work on the date specified on the leave. An employee on leave of absence (paid or unpaid)

who fails to report to work at the end of such leave, or fails to obtain a written extension before the leave expiration date and does not report to work, is absent without an approved leave, unless the failure was unavoidable due to injury or illness, which must be documented in writing and certified by a physician as soon as possible in order to be considered for return to work.

Section 6. No Accrual

An employee on a leave of absence without pay or by reason of an industrial injury/illness will continue to accrue seniority only for the purposes of layoff and recall during such leave. During such leave, vacation and sick leave shall not be accrued.

Section 7. Non-occupational Medical Condition

An employee may request a leave of absence due to a non-occupational medical condition that prevents them from performing the essential job functions. Such leave may be granted consistent with the Federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto and the Washington State Paid Family and Medical Leave Program (PFML). An employee absent for more than twelve (12) consecutive months, not broken by more than sixty (60) days of work, may be subject to re-evaluation as fit for duty. If the employee is unable to return to work, the employee may be subject to an extension of leave, reasonable accommodation (reference [Article 32](#), Accommodation for Disabilities) or disability separation. The determination of which will be case specific. Should the employee's leave of absence be extended past twelve (12) months, the employee's seniority is frozen and the seniority date adjusted if the employee returns to work except in situations where the leave is authorized by a governor's Proclamation directly related to health and safety.

Section 8. Occupational Injury/Illness

An employee, who suffers an occupational injury/illness, may request a leave of absence for the period of incapacitation for which the employee is receiving Worker's Compensation benefits. Such leave shall continue to be granted only upon the employee's presentation of a certificate from a licensed physician, on the form provided by the Employer, confirming the employee's inability to work. Such leave of absence shall not exceed eighteen (18) months. Employees absent for more than eighteen (18) consecutive months, not broken by more than sixty (60) days of work, may be re-evaluated as fit for duty. If the employee is unable to return to work, the leave of absence may be extended by no more than an additional six (6) months as supported by the employee's presentation of a certificate from a licensed physician on a form as provided by the Employer, unless otherwise required by law. At the end of the twenty-four (24) month period, the employee will be re-evaluated as fit for duty. Should the employee not be able to return to work, the employee may be subject to an extension of leave, reasonable accommodation (reference Article 32, Accommodation for Disabilities) or disability separation. The determination of which shall be case specific.

Section 9. Reasonable Accommodation

Notwithstanding the time frames as specified in this article, an employee may request a reasonable accommodation pursuant to [Article 32](#), Accommodation for Disabilities, of this Agreement at any time that allows the employee to perform the essential job functions of the employee's classification for which the employee is otherwise qualified.

Section 10. Medical Review

The Employer reserves the right to require any employee who is on a medical leave of absence due to an illness or injury beyond thirty (30) days to be assessed by a Medical Review Officer regarding the employee's ability to perform the essential job functions.

Section 11. No Conversion

Leaves approved as compensated leaves shall remain so and shall not be converted to leave without pay.

Section 12. Unpaid Leave for Reasons of Faith or Conscience

As provided for in [WAC 82-56-010](#), leave without pay will be granted for holidays of faith and conscience for up to two (2) days per calendar year, provided the employee's absence will not impose an undue hardship on the Employer as defined by [WAC 82-56-020](#), or the employee is not necessary to maintain public safety.

Section 13. Bereavement Leave

- A. An employee is entitled to three (3) days of paid bereavement leave if their family member (identified below) or household member dies. An employee may request less than three (3) days of bereavement.

For the purposes of this section family members include: parent, parent-in-law, sibling, spouse, and registered domestic partner as defined by [RCW 26.60.020](#) and [RCW 26.60.030](#), grandparent, grandchild, child or a child for whom the employee stands in loco parentis, is a legal guardian or is de facto parent, regardless of the age or dependency status.

Household members: Persons who reside in the same home who have reciprocal duties to and do provide financial support for one another. The term does not include persons sharing the same house when the living style is primarily that of a dormitory or commune.

- B. The employer may require verification of the family member's or household member's death.
- C. In addition to paid bereavement leave, the employer may approve an employee's request for the use of compensatory time, sick leave, vacation leave or leave without pay for the purposes of bereavement and in accordance with this agreement.

Section 14. Washington Paid Family and Medical Leave Program

- A. The parties recognize that the Washington State Paid Family and Medical Leave (PFML) Program ([RCW 50A.05](#)) is in effect and eligibility for and approval for leave purposes as described under that Program shall be in accordance [RCW 50A.05](#).
- B. The employee will provide the Employer with not less than thirty (30) days' notice before PFML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- C. The employee may use sick leave, personal holiday, compensatory time, or vacation leave as a supplemental benefit while receiving a partial wage replacement for paid family and/or medical leave under the Washington State Paid Family and Medical Leave Insurance Program, [Title 50A RCW](#). The employer may require verification that the employee has been approved to receive benefits for paid family and/or medical leave under [Title 50A RCW](#) before approving leave as a supplemental benefit.

Section 15. PFML Insurance Program Premiums

The Employer will deduct premium amounts from the wages of each employee in accordance with [RCW 50A.10.030\(3\)\(b\)\(c\)](#). The employer will not pay any portion of the employee's share of the premium for family leave or medical leave benefits, or both.

Section 16. Federal Family and Medical Leave Act of 1993 (FMLA)

- A. Consistent with the FMLA and any amendments thereto, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of Family Medical Leave (FML) in a twelve (12) month period for one or more of the following reasons 1 through 4:
 - 1. Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child.
 - 2. Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work.
 - 3. FML to care for a spouse, son, daughter, or parent, who suffers from a serious health condition that requires on-site care or supervision by the employee. Because the FMLA does not recognize state registered domestic partners, an absence to care for an employee's state registered domestic partner will not be counted towards the twelve (12) workweeks of FML.

4. FML for a qualifying exigency when the employee's spouse, child of any age or parent is on active duty or called to active duty status of the Armed Forces, Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
5. Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member. Eligible employees may take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During a single twelve (12) month period during which Military Caregiver leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member or veteran begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FML leave.

- B. Entitlement to FML for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
- C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off or shared leave.
- D. The FML entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins FML. Each time an employee takes FML during the twelve (12) month period, the leave will be subtracted from the twelve (12) workweeks of available leave.
- E. The Employer will continue the employee's existing Employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by FML. The employee will be required to pay their share of health insurance, life insurance and disability insurance premiums.
- F. The Employer has the authority to designate absences that meet the criteria of the FML. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a FML qualifying event will run

concurrently with, not in addition to, the use of the FML for that event. An employee, who meets the eligibility requirements listed in [Section 15.1](#), may request FML run concurrently with absences due to work-related illness or injury covered by workers' compensation, at any time during the absence. Any employee using paid leave for a FML qualifying event must follow the notice and certification requirements relating to FML usage in addition to any notice and certification requirements relating to paid leave.

- G. The Employer may require certification from the employee's, family members, or the covered service member's health care provider for the purpose of qualifying for FML.
- H. The Employer will use forms designated by the United States Department of Labor in the administration of the FMLA.
- I. Personal medical leave or serious health condition leave or serious injury or illness leave covered by FML may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- J. Upon returning to work after the employee's own FML qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider.
- K. The employee will provide the Employer with not less than thirty (30) days' notice before FML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.

ARTICLE 19

SAFETY, SANITATION, VENTILATION AND PHYSICAL EXAMINATION

- Section 1.** The Employer will exert every reasonable effort to provide and maintain safe working conditions, and the Union will cooperate to that end and encourage their members to work in a safe manner. To that end, a Safety Committee shall be established to be composed of a minimum of two (2) and a maximum of five (5) representatives designated by the Employer and a minimum of two (2) and a maximum of five (5) representatives designated by the Unions who represent any Journeyman craft positions at Eagle Harbor, which Committee shall assist, make recommendations to, and cooperate with the Employer. The employees designated for this Committee shall be employees who have knowledge of the practices of the facility and who have worked for the Employer a minimum of one (1) year. The functions of such Committee shall be advisory only. This Committee should meet

once a month with minutes of the meeting prepared by Management and a copy thereof furnished to the Union.

- Section 2.** All staging, walks, ladders, gangplanks, and safety appliances shall be constructed in a safe and proper manner by competent mechanics.
- Section 3.** The Employer shall provide covered transportation with sufficient seating accommodations for employees to be transported to and from jobs away from the yard or shop. No material or equipment not safely secured shall be transported in the same compartment of the truck with employees.
- Section 4.** The Employer shall furnish suitable guards around welders for the protection of workperson's eyes.
- Section 5.** The Employer shall furnish hard hats, and employees shall be required to wear the same.

All first aid personnel shall be identified, and signs indicating location of first aid stations shall be posted.
- Section 7.** An employee suffering an industrial injury who is advised not to resume work by a nurse, first-aid attendant, or physician to whom they have been referred by the Employer shall be paid their regular straight time pay to the end of the shift on which the injury occurred. If an injured employee reports such injury immediately following its occurrence to the nurse, first-aid attendant, or physician designated and after reporting for work on the following day is advised by the nurse, first-aid attendant, or physician designated by the Employer not to continue work because of said injury, they shall be paid to the end of said shift.
- Section 8.** The Employer shall notify the Union not later than the end of the next regular working day of any lost-time accidents to any of its members that necessitated confinement in any hospital or clinic, providing the Employer has knowledge of such confinement.
- Section 9.** Suitable lockers, washrooms and drinking water shall be furnished by the Employer.
- Section 10.** All toilets and washrooms shall be kept in a clean and sanitary condition, properly heated and ventilated, and adequate quarters with heat and hot water shall be provided for persons to change and dry their clothes. Lunch areas with benches and tables shall be provided and shall be separate from toilet facilities.
- Section 11.** Where workers are assigned to work in confined spaces as described in the U.S. Bureau of Labor Safety and Health Regulations for ship repairing and/or ship building as published by the Bureau of Labor Standards, frequent checks for the employee's safety shall be made.

- Section 13.** The Employer agrees to reimburse employees up to one hundred thirty dollars (\$130.00) maximum per calendar year for industrial work clothing. The wrong selection of size, style, and/or color will not be subject to or reason for additional reimbursement. Employees will provide legible proof of a purchase receipt(s) from the vendor to the Employer in order to be reimbursed. As an alternative, employees may order two (2) pairs of coveralls per calendar year from the Washington State Correctional Industries organization.
- Section 14.** All current and new employees shall be annually fit tested for a respirator mask, in accordance with required governmental regulations, which require employees be clean shaven in the sealing surface area of the face in order to get a proper fit of the respirator mask. Prior to being fit tested, all employees are required to complete a medical questionnaire from a Professional Licensed Health Care Provider (PLHCP) designated by management. An employee must complete all questions as applicable in the questionnaire each time they submit a medical questionnaire. The information on the questionnaire is confidential and subject to all protections provided by state and federal laws. Management will attempt to arrange for the governmental required annual fit test to occur between June through July of each year. After the fit test, current employees may re-grow a beard or other facial hair on the condition that if an employee is required by the Employer to work in an environment which requires a respirator mask, the employee shall have to obtain the proper fit for the respirator mask. Management will attempt to advise employees twenty-four (24) hours in advance of the need for donning the respirator mask.
- Section 15.** During the term of this Agreement, the Employer agrees to reimburse employees up to one hundred fifteen dollars (\$115.00) for the purchase of soft-toed safety shoes or, at the employee's option, up to two hundred dollars (\$200.00) for the purchase of safety-toe footwear with either a steel or composite safety toe and in accordance with applicable WSDOT and/or WSF policy. The Employer recommends wearing safety-toe footwear for employees when they are working.
- Section 16.** The Employer agrees to reimburse employees for TWIC renewal costs.

ARTICLE 20

UNION REPRESENTATIVES - MEETINGS AND RELATED MATTERS

- A. Union Representatives**
- Section 1.** Upon prior notification, authorized representatives of the Union shall be allowed to go on the Employer's property and on board vessels covered by this Agreement at reasonable times while at the dock, provided that such visitation will not unduly disrupt the normal work flow of the employees. The Employer will issue the duly accredited representative a pass for such visits, and the Union agrees that the

Employer is absolved from all claims resulting from any accident involving such representative while on the property or on board vessels of the Employer.

B. Meetings and Related Matters

Section 1. The parties agree to have meetings quarterly between Eagle Harbor management representatives and representatives of the Union, including stewards from the Eagle Harbor facility. It shall be the responsibility of the parties to determine the schedule and agenda for such quarterly meetings.

Section 2. The parties agree, in the interest of promoting resolution of grievances and addressing representational issues at the Eagle Harbor facility, to have monthly meetings not to exceed one (1) hour of the union stewards. It is understood and agreed by the parties that the monthly meetings are not intended to conduct internal union business. Stewards will be in a straight-time pay status for purposes of attending the monthly meetings.

Section 3. The parties agree that Union stewards required by or otherwise directed by the Employer to attend meetings or discussions on matters under the terms of the parties' CBA shall be entitled to travel time to the WSF Headquarters, Pier 52, or other locations in accordance with applicable travel regulations.

Section 4. A bargaining unit employee may be granted a leave of absence for the purpose of accepting full-time employment as an official of the Union or for the purpose of accepting full-time employment with the Employer in a position outside of the bargaining unit. Anyone taking a leave of absence under this section shall retain their seniority at the time the leave without pay is effective and shall have the right to return to the same or comparable open position in the bargaining unit at the same or comparable wage rate. It is the obligation of the employee to notify the Employer and the Union of any change in leave status in a timely and responsible manner, including the employee's intent to exercise return rights to the bargaining unit.

Section 5. In order that WSF employees serving as delegates to the collective bargaining negotiating committee for each biennium not suffer any loss of time used in calculating pension benefits, these employees may code their timesheets as annual leave when negotiating with the Employer and the Employer will reimburse their annual leave account for those hours used (a maximum of eight [8] hours) per day per contract negotiations meeting.

ARTICLE 21
NO LIMITS ON PRODUCTION

There shall be no contract, bonus, piece or task work, nor shall there be a limit on or curtailment of production, or any self-imposed restrictions placed by employees or imposed by the Union.

ARTICLE 22

DIRTY WORK

- Section 1.** Employees required to work in tanks, bilges, voids or under floor plates where oil or water has accumulated, or inside boilers, or disassembling boilers, uptakes or stacks, including ducts or the removal and handling of used dock cable, cracked and leaking batteries shall be paid double time for the entire period so employed unless such places are reasonably clean. Dirty pay situations shall be designated by either the Vessel or Terminal General Foreperson after review with the Foreperson.
- Section 2.** When employees are required to clean or work in sewage holding tanks, lift tanks or come in direct contact with sewage containing human waste, they shall be paid the double time rate, provided they are wearing the required protective gear.
- Section 3.** Employees required to perform work while in direct contact with animal/avian feces will be paid double time for the period such work is performed provided they are wearing the required protective gear.

- Section 5.** Dirty work under this Article shall be recognized by the Employer and the Union as work conditions that are more dirty, disagreeable, or unpleasant than normal Eagle Harbor working conditions. It is the intent of the parties to limit dirty work pay to situations that are exceptionally dirty relative to normal facility work. In the event of a dispute over dirty pay, a craft steward, a representative of the Employer, and a WSF safety office representative, when available, shall make the determination of dirty work pay prior to commencing work.
- Section 6.** In recognition of the hazards of carbon and copper dust, dirty pay shall be paid for time spent disassembling, machining and cleaning brush/commutators on generators and drive motors. Employees engaged in this work shall use all required personal protective equipment.

ARTICLE 23

ASBESTOS PREMIUM

The provisions of this Article shall be applicable only to WSF employees who are members of this Agreement and who have been selected by management and from those employees certified by the state of Washington for asbestos work or who are assigned insulation work as defined in Section 1 herein below.

- Section 1.** Employees who are actively engaged in asbestos abatement work or removal of deteriorated (in place several years) fiberglass or mineral wool insulation, or are actively engaged in installation of friable (actually emitting particles) fiberglass or

mineral wool insulation, and are physically in contact with the said substances shall, during the time they are so engaged, receive a premium payment of twenty percent (20%) per hour in addition to their regular wage rate. The premium pay shall apply to removal of protective barriers, but shall not apply during initial set up and preparation for the work, nor during the time required to put on and remove protective clothing, nor for any equipment removal and clean-up time.

Section 2. The aforesaid premium payment will not be made in addition to any premium paid pursuant to the provision of [Article 22](#), Dirty Work, of this Agreement.

If the Unions are not able to resolve a jurisdictional dispute within ten (10) working days, the Employer may assign the job order in dispute, as it deems appropriate until the Unions reach an agreement.

ARTICLE 25

PASSES - MEALS

A. Passes

Section 1. Employees shall be issued annual passes authorizing free passage for such employee, the spouse, and dependents, as well as for such employee's and spouse's motor vehicle and recreation vehicle, including a trailer, on all vessels of the Employer.

Section 2. Employees leaving the service of the Employer shall immediately surrender to the Employer any passes which have been issued pursuant to this Article.

Vehicle passes shall be used only on a space available basis and shall not be used between Anacortes and Sidney from June 15 to September 10. Nothing contained in this Section shall be construed as applying to any employee engaged in traveling to or from work with the Employer.

Section 5. Vehicle ferry passes are intended to be used for vehicles that the employee and/or spouse have registered, leased or rented. The vehicle registration or lease/rental agreement shall be required to be shown when using passes if requested.

Vehicle passes will not be used to evade a ferry fare. A vehicle not registered, leased or rented by an employee and/or spouse shall be subject to verification by terminal staff. Any pass holder, who is uncooperative in the verification process, shall be subject to WSF code of conduct.

Section 6. Any employee, employee's spouse or the employee's dependent(s) who knowingly violates WSF Pass Use Policies will be subject to a three (3) month suspension of all pass privileges for a first offense, a one (1) year suspension of all pass privileges for a second offense and permanent revocation of all pass privileges for a third offense. Harbor management will certify that the inventory is accurate and complete. When completed and verified, the inventory list will be used by the Employer to authorize the replacement of lost, stolen, or broken tools. Claims for replacement tools will be processed in accordance with the established WSF and Eagle Harbor claims process and procedures.

ARTICLE 27

SAVINGS CLAUSE

If any Article of this Agreement or any addenda thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article should be restrained by such tribunal, the remainder of this Agreement and addenda shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such Article.

ARTICLE 28

MANAGEMENT RIGHTS

Subject only to the limitations expressly stated in this Agreement, the Union recognizes that the Employer retains the exclusive right to manage its business, including but not limited to the right to determine the methods and means by which its operations are to be carried on, to direct the work force, to determine the Employer's budget and size of the agency's workforce, and to conduct its operations in a safe and effective manner.

The agreement expressed herein in writing constitutes the complete and entire agreement between the parties and no oral agreement or statement shall add to or supersede any of its provisions.

ARTICLE 29

ADDITIONAL WAGE STIPEND

In addition to the straight-time hourly rates of pay listed in Appendix A, the Employer will pay a total of twenty-five dollars (\$25.00) per month as an additional wage payment to each employee covered by this Agreement working sufficient hours to qualify for participation in the State of Washington Public Employees' Retirement System.

ARTICLE 30

HEALTH, WELFARE, AND DENTAL

*This [MOU](#) is included as an attachment this this Article.

Section 1.

- A. For the 2023-2025 biennium, the Employer Medical Contribution (EMC) will be an amount equal to eighty-five percent (85%) of the monthly premium for the self-insured Uniform Medical Plan (UMP) Classic for each bargaining unit employee eligible for insurance each month, as determined by the Public Employees Benefits

Board (PEBB). In no instance will the employee contribution be less than two percent (2%) of the EMC per month.

- B. The point-of-service costs of the Classic Uniform Medical Plan (deductible, out-of-pocket maximums and co-insurance/co-payment) may not be changed for the purpose of shifting health care costs to plan participants, but may be changed from the 2014 plan under two (2) circumstances:

1. In ways to support value-based benefits designs; and
2. To comply with or manage the impacts of federal mandates.

Value-based benefits designs will:

1. Be designed to achieve higher quality, lower aggregate health care services cost (as opposed to plan costs);
2. Use clinical evidence; and
3. Be the decision of the PEBB.

- C. Article 30 Section 1. B will expire June 30, 2025.

- Section 2.**
- A. The Employer will pay the entire premium costs for each bargaining unit employee for dental, basic life, and any offered basic long-term disability insurance coverage. If changes to the long-term disability benefit structure occur during the life of this agreement, the Employer recognizes its obligation to bargain with the Coalition over impacts of those changes within the scope of bargaining.
- B. If the PEBB authorizes stand-alone vision insurance coverage, then the Employer will pay the entire premium costs for each bargaining unit employee.

Section 3. Wellness

- A. To support the statewide goal for a healthy and productive workforce, employees are encouraged to participate in a Well-Being Assessment survey. Employees will be granted work time and may use a state computer to complete the survey.
- B. The Coalition of Unions agrees to partner with the Employer to educate their members on the wellness program and encourage participation. Eligible, enrolled subscribers shall have the option to earn an annual one hundred twenty-five dollars (\$125.00) or more wellness incentive in the form of reduction in deductible or deposit into the Health Savings Account upon successful completion of required Smart Health Program activities. During the term of this Agreement, the Steering Committee created by Executive Order 13-06 shall make recommendations to the PEBB regarding

changes to the wellness incentive or the elements of the Smart Health Program.

Section 4. The PEBB Program shall provide information on the Employer Sponsored Insurance Premium Payment Program on its website and in an open enrollment publication annually.

Section 5. Medical Flexible Spending Arrangement

- A. During January 2024 and again in January 2025, the Employer will make available two hundred fifty dollars (\$250.00) in a medical flexible spending arrangement (FSA) account for each bargaining unit member represented by a Union in the Coalition described in [RCW 41.80.020\(3\)](#), who meets the criteria in Subsection 5 B below.
- B. In accordance with IRS regulations and guidance, the Employer FSA funds will be made available for a Coalition bargaining unit employee who:
 - 1. Is occupying a position that has an annual full-time equivalent base salary of sixty-thousand dollars (\$60,000), or less on November 1 of the year prior to the year the Employer FSA funds are being made available; and
 - 2. Meets PEBB program eligibility requirements to receive the Employer contribution for PEBB medical benefits on January 1 of the plan year in which the Employer FSA funds are made available, is not enrolled in a high-deductible health plan, and does not waive enrollment in a PEBB medical plan except to be covered as a dependent on another PEBB non-high deductible health plan.
 - 3. Hourly employees' annual base salary shall be the base hourly rate multiplied by two thousand eighty-eight (2,088).
 - 4. Base salary excludes overtime, shift differential and all other premiums or payments.
- C. A medical FSA will be established for all employees eligible under this Section who do not otherwise have one. An employee who is eligible for Employer FSA funds may decline this benefit but cannot receive cash in lieu of this benefit.
- D. The provisions of the State's salary reduction plan will apply. In the event that a federal tax that takes into account contributions to a FSA is imposed on PEBB health plans, this provision will automatically terminate. The parties agree to meet and negotiate over the termination of this benefit.

ARTICLE 31

NON-DISCRIMINATION

Section 1. The Employer and the Union are mutually committed to discourage discrimination in any and all forms. To this end, the parties agree that they will not engage in any practice, or pursue any policy, which results in coercion, discrimination, or harassment because of race, creed, sex, gender expression, gender identity, sexual orientation, age, color, national origin, marital or veterans' status, military status, status as an honorably discharged veteran, disabled veteran, Vietnam era veteran, genetic information, political affiliation, marital status, any real or perceived sensory, political affiliation, or the presence of a sensory, mental, or physical disability, status as a victim of domestic violence, sexual assault or stalking, citizenship or immigration status or because of participation or lack of participation in Union activities.

The Employer agrees to provide appropriate training, and the Union agrees to support and encourage participation in training to positively accept the cultural diversity that exists in the workplace and to understand, as well as prevent, all forms of discrimination and harassment.

Section 2. The parties agree that unlawful forms of harassment of any nature are strictly prohibited. Processing of harassment complaints shall be in accordance with applicable Washington State Department of Transportation (WSDOT) policies and procedures.

Section 3. The parties agree that acts of discrimination and harassment are intolerable and shall be subject to appropriate discipline.

ARTICLE 32

ACCOMMODATION FOR DISABILITIES

Section 1. WSF will at all times comply with the Americans with Disabilities Act (ADA) and [RCW 49.60](#) et seq. and WSDOT policies regarding reasonable accommodation as those statutes and policies apply to WSF operations. In a case where an employee has a disability, as defined by ADA or comparable state statute, WSF shall consider a reasonable accommodation that allows an employee to perform the essential job functions of his classification for which they are otherwise qualified.

Section 2. In the event the employee cannot perform the essential job functions of the current classification as determined by WSF, WSF shall consider other open classification positions within WSF which the employee would be qualified to perform. WSF shall consider the employee for transfer to such open positions.

Section 3. Employees so transferred to another job classification shall perform the essential job functions of the new classification and shall be paid the compensation provided by the new job classification. In no event does WSF guarantee that an employee will be accommodated by a job transfer.

ARTICLE 33

TIME, LEAVE, AND ATTENDANCE

All employees will accurately report time worked, leave taken, and other attendance requirements in accordance with a time reporting process and system(s) as determined by the Employer.

ARTICLE 34

DISCIPLINE

- Section 1.** The Union and the Employer agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level.
- Section 2.** The Employer shall not discharge or otherwise discipline any employee without just cause. The Employer will go through the progressive disciplinary process.
- Section 3.** The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in [Article 12](#), Grievance Procedure. Oral reprimands may be processed only through the agency head step or the agency's Labor Relations Office in Olympia of the grievance procedure.

ARTICLE 35

EFFECTIVE DATE AND DURATION OF AGREEMENT

Except where otherwise provided, this Agreement shall be effective on July 1, 2023, and shall continue in effect until June 30, 2025, and shall be considered as renewed from year to year thereafter between the parties unless either party shall give written notice to the other of its desire to amend or to terminate the same. Such notice is to be given at least sixty (60) days prior to June 30, 2025, or sixty (60) days prior to June 30 of any subsequent calendar year.

Penny Rounding Differences: The Union and the Employer recognize that the statewide payroll system (HRMS) rounds payroll calculations to five (5) decimal places. Therefore, manual calculations using rates in the collective bargaining agreement may result in penny rounding differences. The parties accept these differences and do not require further payroll adjustments that would cause the employee to pay back penny rounding differences or for the Employer to add penny rounding differences to an employee's pay.

Medical Flexible Spending Arrangement Work Group

Since the 2019-2021 PEBB healthcare agreement between the Coalition of Unions and the State of Washington, the parties have agreed to a benefit involving a Medical Flexible Spending Arrangement. Due to unknown reasons, a majority of eligible employees did not use some or all of this benefit.

The parties agree to use the already scheduled quarterly series of meetings between Health Care Authority (HCA), Office of Financial Management (OFM) and Union staff representatives to review data and discuss possible options and solutions to increase represented employees' awareness and utilization of the FSA benefit. The parties will focus their efforts on the following items:

1. Creating an introductory paragraph explaining the FSA benefit for represented employees for use in HCA communications. This communication shall include all the participatory unions' logos and/or names provided by the unions as well as HCA/PEBB branding.
2. Exploring the option of sharing a list of all eligible employees who did not use the two hundred fifty dollar (\$250) benefit for the previous calendar year.
3. Creating a timely and targeted communication for those employees who have not yet accessed their FSA benefit.
4. Reviewing existing communications provided to new employees about the FSA benefit.
5. Assisting the Coalition of Unions with providing information to their members about the FSA benefit.
6. Ensuring that any information shared protects employees' personally identifiable information and protected health information.
7. Exploring options to provide access to this information for non-English speakers, for example, a flyer in multiple languages with notification of these benefits.

This Memorandum of Understanding (MOU) by and between and the Puget Sound Metal Trades Council (PSMTC) and The State of Washington, Office of Financial Management, Labor Relations Section (Employer) is entered into for the purposes of obtaining a Data Sharing Agreement (DSA) with the PSMTC which ensures that OFM confidential information is provided, protected, and used only for purposes authorized by the data sharing agreement.

LEAVE WITH PAY IN RESPONSE TO EMERGENCY PROCLAMATION 23-05

On August 19, 2023, Governor Jay Inslee issued emergency Proclamation 23-05 declaring a state of emergency exists in all areas of the state of Washington. All state agencies have been directed to utilize state resources to assist affected political subdivisions in an effort to respond to and recover from the event. Because the threat to life and property from existing wildfires is extraordinary and significant and has caused harm to state employees as well as extensive damage to homes, public facilities, businesses, public utilities, and infrastructure, all impacting the life and health of state employees throughout Washington State, the parties enter into this agreement for the purpose of assisting state employees that have been directly impacted by this emergency.

Beginning August 19, 2023, forward the following shall apply:

The employer may temporarily grant up to three (3) days of leave with pay per occurrence to employees who are experiencing extraordinary or severe impacts, such as displacement from their homes temporarily or permanently through evacuation or significant damage or loss. Employers may require verification of the use of leave with pay.

If three (3) days of leave with pay are approved an employee is not required to use the three (3) days of leave with pay consecutively and it does not need to be taken in full day increments.

This MOU will expire when the emergency Proclamation 23-05 has been rescinded or when the emergency rule is rescinded, whichever is first.
