

IBEW LOCAL 46

Small and Medium Cap Market Recovery Guidelines

The purpose of granting funded Market Recovery starting on June 1st, 2026, is to secure jobs in the small and medium market caps.

The funding for these grants will **not** be paid from our Normal Market Recovery Account, which is collected from 1% of the Organizing Dues.

This funding will be paid from the **0.5% subsidy** currently being collected, due to unemployment, over 15%; ***and is only available while the subsidy is in place.***

The terms for this Grant are in addition to IBEW Local 46's current Market Recovery Policies.

To be eligible to receive funded Market Recovery for these jobs, the following parameters must be met.

1. Jobs are less than **7500 worker hours**.
2. **Electrical Values are less than \$1.5M.**
3. The **jobs are not prevailing wage** and **cannot have State or Federal dollars attached.**
4. Large jobs **cannot be split into many smaller jobs.**
5. Grants will not exceed the total value of the Inside Wire Benefits package.
6. Must have signed and agreed to our **Market Recovery Procedures and Policies** on file and to be renewed yearly.
