Hello LU, 46 Family!

I hope you all enjoyed the long holiday weekend and World Cup action!

This is your Business Manager Sean Bagsby with a couple important updates for the Membership.

#1) Due to the changes in LU 46 leadership later this week, some current Staff will not continue into the new administration. Director of Government Affairs Nicole Grant completed her final day on staff today July 6. Please thank her for her service and dedication to the LU 46 Political program! Our Renewable Energy Director Peter Hasegawa will complete his time on Staff this Wednesday July 8.

The future direction of the Local 46 Political program shall be determined by the next Business Manager, his team, and the Membership. If you have questions for the Political Action Committee (PAC), please contact current PAC Chairperson Roderick Jefferson: LU46pacchair@ibew46.com. If you have questions for the Staff Political program, please contact Assistant Business Manager Ryan Paddock at ryan@ibew46.com. After July 8, please contact new LU 46 Business Manager Mark Davis at markd@ibew46.com.

#2) During the July Inside Wire Unit meeting, it was mentioned that the Local 46 Business Rep and Organizing Staff are working on forming a Staff Union. There have been questions to the Office since this meeting, and this message is to provide an update. They did contact me to begin the formal process to be recognized and represented as a Union Staff. The process for the Business Staff to become recognized by another Union will continue under the New Business Manager on July 9th. If you have any questions, please contact the campaign organizer listed below:

#3) The next LU 46 General Membership meeting will be this Wednesday July 8 starting at 5:30 PM. The New Local 46 Officers will be sworn – in during this meeting! Please plan to attend this important meeting, and for updates from your Staff and New Officers.

Thank you for your time and attention. Take care and have a wonderful evening.
